IMPACT PROTECTION

Surface Protection – Rectangle 60/20, 1 m, Pre-Drilled

A 1 m pre-drilled yellow and black polyurethane foam strip that cushions and marks hard surfaces.

Product code **91701047**

Material **PU foam**

1 m	60 mm	20 mm	3
long	wide	thick	fixing holes

Overview

These impact protection profiles give a visual warning and cushioning on hard edges and surfaces.

This version is pre-drilled with three holes for mechanical fixing where adhesive alone is not enough.

Key features

- **Pre-drilled** 3 fixing holes
- **Flexible PU foam** absorbs knocks
- **Yellow and black** warning stripes
- **CFC and silicone free** material
- **Indoor or outdoor** use

Where it is used

Warehouses, factories, loading bays, distribution centres, car parks and retail back-of-house areas.

Why polyurethane foam?

The flexible foam absorbs knocks from vehicles, trolleys and people, while the yellow and black stripes give a clear visual warning.
