raised	mm post	steel	when down

Overview

This extra heavy duty telescopic post protects shop fronts, entrances and driveways from ram raids and unwanted vehicles.

It retracts fully into the ground when not needed, and a catch plate holds it when fully raised.

Key features

- **Extra heavy duty** 100 mm square, 4 mm steel
- **Fully telescopic** flush when down
- **Retractable handle** for easy lifting
- **70 mm stainless padlock** with hardened shackle
- **Zinc plated** resists corrosion

Where it is used

Shop fronts, garage forecourts, warehouses, driveways and entrances needing anti-ram protection.

Keyed alike or different?

If you are ordering several posts, choose **keyed alike** so one key opens them all, or **keyed differently** for separate users.
