Overview

The Blencoe is a modular secure storage shelter in galvanised mild steel, with mesh doors that take a padlock.

The mesh lets staff see the contents while controlling access, and the galvanised roof and side panels keep equipment and materials dry.

Key features

- **Padlockable mesh doors** visible and secure
- **Curved steel roof** sheds water
- **Galvanised steel** long life
- **Five sizes** 1 to 5 m wide
- **Multi-use** storage, bins or bikes

Where it is used

Shops, supermarkets, restaurants, pubs, offices, schools, hospitals, housing blocks and industrial units.

Need a longer run?

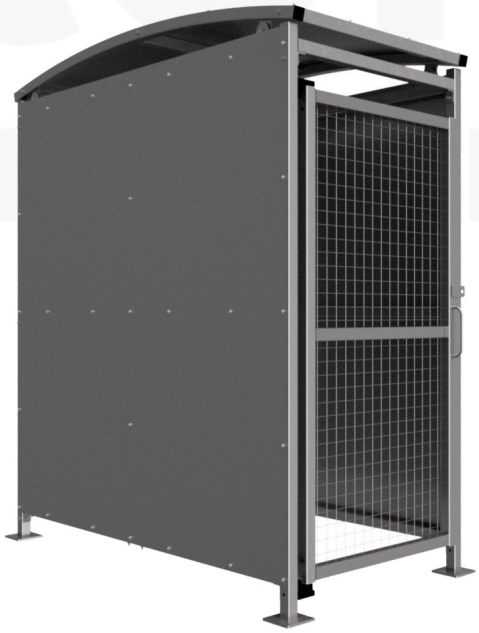

Extension bays can be added to reach the length you need, and units can be joined to cover larger areas.
