PARKING POSTS

Top Lock Folding Parking Post

A 60 mm folding parking post with a padlocked top lock, in galvanised, yellow or stainless steel finishes.

Product code **60615437** | Clearance **110 mm**

60 mm	Top	3	110 mm
tube	lock	finishes	clearance

Overview

This top lock folding post is ideal for reserving individual parking spaces, and as a visual deterrent at driveways.

The hinged post locks upright with a padlock at the top of the base, and folds flat for the car to drive over.

Key features

- **Top lock** padlock secured
- **Three finishes** galvanised, yellow or stainless
- **60 mm tube** robust design
- **Reflective label** for visibility
- **110 mm clearance** when folded

Where it is used

Private driveways, residential and office car parks, garages, depots and reserved or allocated parking bays.

Why fold-down?

A fold-down post lies flat for the driver to park over it, then is raised and locked to reserve the space.

Post in use.

Talk to someone who sells this every day
