BARRIERS

Traffic-Line Wall Mounted Belt Cartridge

A compact wall mounted retractable belt for closing off doorways, aisles and hazards, with damped belt retraction.

Product code **259622817**

Belt **50 mm wide**

3–5 m	50 mm	130 mm	Damped
belt	wide	high	retraction

Overview

This wall mounted belt cartridge pulls out to close off a doorway, corridor or hazard, then retracts neatly back when not needed.

The black ABS casing is just 130 mm high, with a bracket that lets the belt be pulled in three directions. Damped retraction stops the belt snapping back, and a magnetic version is available.

Key features

- **Retractable belt** 50 mm wide
- **Damped retraction** controlled return
- **3-way bracket** pull in three directions
- **Four belt colours** high visibility
- **Magnetic version** available

Where it is used

Warehouses, factories, shops, hospitals, offices and public buildings, to close doorways, aisles and hazards.

Choosing a length

Measure the opening you need to close off and choose a belt that reaches across with some spare.
