Product code **52520730**

Size **500 H × 500 W mm**

500 mm	500 mm	48 mm	UK
high	wide	tube	made

Overview

This guard safeguards columns, pillars, EV chargers and machinery in warehouses and other busy settings.

It has a 48 mm tube rail on 50 mm square uprights with fully welded joints and base plates.

Key features

- **U-shaped design** guards three sides
- **48 mm tube rail** on 50 mm square uprights
- **Galvanised** or yellow with black bands
- **Root fixed** or surface mounted
- **Made to order** in the UK

Root fixed or surface mounted?

Root fixed guards are concreted into the ground, the strongest option for new floors.

Surface mounted guards bolt down onto an existing concrete floor.

Where it is used

Warehouses, factories, loading bays, distribution centres, car parks and retail back-of-house areas.
