Overview

The Wilson is a free-standing, open-fronted shelter in galvanised mild steel, with a curved side-to-side roof and matching side panels.

The steel-clad version suits outdoor storage bays. The clear PETG version suits waiting areas and outdoor classrooms. Both extend with extra bays.

Key features

- **Open fronted** easy access
- **Steel or PETG** roof and sides
- **Galvanised steel frame** long life
- **Five lengths** 1 to 5 m
- **Extension bays** for longer runs

Where it is used

Schools, nurseries, colleges, leisure centres, hospitals, offices and public buildings.

Need a longer run?

Extension bays can be added to reach the length you need, and units can be joined to cover larger areas.
